**SASY Neighborhood Association
presents the 5th annual**

Hudson Beach Brat and Lake Weed Fest

Rain or shine, come join your neighbors as we make Hudson Beach your favorite swimming hole. In conjunction with the county's "Take a Stake in the Lakes" lakeshore cleanup project, we'll be picking up debris, pulling shoreline and lake weeds, spreading new sand on the beach, getting free t-shirts, learning of future beach improvements, and finishing with cold refreshments and sizzling brats on the grill.

Swimming suits, garden tools, old tennis shoes and gloves recommended. Don't forget your grill and cooler.
